  - Unity
  - Windows Forms

LANGUAGES

- Arabic: Native
- French: Proficient
- English: Proficient

EXTRACURRICULAR

- Future Pioneers Club: Active Member | 2021 - Present

ABOUT ME

I am a second-year engineering student at the National School of Applied Sciences in Fes, Morocco, passionate about data science, artificial intelligence, and software development. Proficient in programming and mathematics, I enjoy tackling technical challenges while developing video games in my spare time. Always seeking new opportunities to contribute to exciting projects.
